FROM THE SCHOOL NURSE

"Hello Sanislo families, my name is Elizabeth Ko, and I am the nurse at Sanislo this year. Unfortunately I am only able to be at Sanislo on Wednesdays, but I can be reached any time by email at egko@seattleschools.org. Please don't hesitate to contact me if you have any health-related concerns about your student.

As cold and flu season is fast approaching, I wanted to take this opportunity to remind families about when to keep kids home from school. [Please see the attached flyer!](#)"

We have had several cases of head lice here at Sanislo so far this year. While this is not at all surprising with elementary-aged kids, we ask that parents check their children frequently for lice and nits (eggs). Kids who are found to have lice should do an over-the-counter lice treatment and should return to school as soon as possible. If you have questions or concerns about lice treatment, please contact me, or consult these websites:

CITY YEAR

Parents...Sanislo students can earn a Free Personal Pan Pizza from Pizza Hut!

The minutes read outside of school are what make the difference!

At the end of the month students who participate will earn a coupon for a free personal pan pizza from Pizza Hut.

A monthly book-it reading log will be sent home with students in grades K-2.

Have your child record time read together on their reading log.

A form to record a short book reports will be sent home with students in Grade 3-5.

At the end of the month, students who turn in their reading forms/logs to Teacher/City Year will receive a free personal pan Pizza coupon.

Students who participate in book-it will also be entered into a drawing for more prizes.

Classroom special recognitions each month!

Let's snowball into perfect attendance this November!

Every day in class is a day spent learning and growing! We'd like all students in school on-time, every day, so we have a special whole school incentive for students and their classrooms! Students who achieve perfect attendance attend an exciting party before we go on X-mas break!

Classes with the highest rate of attendance weekly will receive the coveted "spirit stick" The class with the highest overall attendance for the month will receive recognition and the teacher will receive a gift card.

If you have any barriers that prohibit you from getting your student to school, never hesitate to reach out to our Family Support specialist, Yolanda McGhee.

City Year Morning Ripples program

From 8:10am-9:05 everyday City Year hosts a before-school program called Morning Ripples.

During the program, students have the opportunity to receive homework help support, play academically enriching games on the computer, or play structured games with other students.

Currently, City Year has over 50 students enrolled and would love to have more!!

If your child is in grades 3-5 and you'd like them to participate in the program, reach out to Aaron Carr, Program Manager, acarr1@cityyear.org.
